

## Cornell Collins Audition Sides

Cornell

.....of course I care. Look around! I'm *investing* in Detroit. Bringing opportunity! Progress!".....Building a strong economic base has to be our foundation to secure the future of this community....

Crystal

Uhh excuse me, don't I know you from somewhere?

Cornell

I don't think so, lets stay on topic.

Crystal

*'What you say your name was again?'*

CORNELL

Cornell Collins. CEO of CC Capital Enterprises. As I was saying..

CRYSTAL

Cornell... Collins... Wait a minute. Oh My God, Corny Collins? From Mackenzie High school?

CORNELI

Don't. Say. That. Name! It's *Cornell* now.

CRYSTAL

I remember you! You had those huge bifocals, And dressing like Steve UrkelWow, look at you now, all rich and everything! Who would've thought?  
Tanya, you remember Corny from high school...

Cornell

(With aggression)

My name is Cornell! *That was a long time ago. And now? I'm a respected businessman. Not that any of you would understand what it takes to build an empire.*

TANYA

*Build? Or steal Cornell?*

CORNELL

Stealing? No, no, no. This is capitalism, sweetheart. The rules of the game. You can play—or you can get left behind. Simple as that.

KHALIL

*So that's it? You're just here for the cash, and we're supposed to just take it?*

CORNELL

Business is business kid. You wanna stay? Pay the rent. Or don't—and find somewhere else. Anyway, gotta run. Remember: CC Capital is hiring!
