

Ensemble Audition Sides

Directions: Each line represents a different character with its own unique personality and energy. Because these lines mimic social media comments, actors should treat each one as if it's coming from a different person online. This is an opportunity to showcase a variety of characters, so actors should shift their tone, attitude, and energy with each line while maintaining a smooth and natural delivery. **READ ALL THE WORDS EVEN THE EMOJIS..... Congratulations! Girl you Killed it!

Commenter 7

She's cool, I guess, but let's be real—she's not beating Trinity!

Commenter 3

Heart Emoji, Heart Emoji, Smiley face, Love You!

Commenter 4

You did your thing girl! so glad to see some new talent on hashtag Detroit vibes, its about time

Commenter 5

Who picked her? They must be getting Desperate on Detroit Vibes.

Commenter 8

Finally somebody said it, cause i was thinking it! crying emoji

Commenter 10

LMAO why she dress like that tho?

Commenter 6

She ain't even that cute. The Filter doing ALL the work."

Commenter 12

Hashtag Overrated. I'm not impressed

Commenter 14

She's cool, I guess, but let's be real—she's not on Trinity's level.
