### SCENE 2

**DETROIT LEX**

Funny, cause last I checked, the people actually watching Detroit Vibes are the same folks y'all keep trying to ignore.

**MR. COLLINS**

Monique, how do you plan to handle this?

**MONIQUE**

By firing her!

**DETROIT LEX**

Firing Detroit Lex from the Detroit Vibes Show! Now how would that look?

**MONIQUE** (mocking)

They replace influencers every day—one scandal, one slip-up, and poof! Gone.

**DETROIT LEX**

Mr. Collins, if you wanna keep your audience, you might wanna start keeping up with the times. Diversity and Inclusion is important!

**MONIQUE**

Ugh, There's that word! Every time I hear it I cringe! Look The show is just fine the way it is.

DETROIT LEX

Bringing Imani in is just the beginning. I got big plans to shake things up!

**MR. COLLINS**

Ms. DuBois, Figure this out! and figure it out fast!

*(MR. COLLINS exits. MONIQUE whips around to face DETROIT LEX, eyes narrowing)*

MONIQUE

So, you have ideas? And sneaking that clout-chasing wannabe onto my show was one of them?

DETROIT LEX

Maybe it's time *Detroit Vibes* started reflecting the **real** Detroiters—the people who actually live it, not just the ones you approve of, and have some superficial look!

MONIQUE

Not while I'm in charge.

DETROIT LEX

Funny thing about that—I was just thinking it might be time for a **change any how**.

Monique

Is that a threat?

Detroit lex

**Now, Ms. DuBois, me? Threaten you? Never! You're the boss! I'm just the little ol' person who, you know... created the whole show. It's your world, I'm just livin' in it!**
