Monique

And we're off! How many times do I have to tell you—no selfies, when we're live. Chi Chi, take off that hideous jacket—it's reflecting too much light. Chauncey, stop posing like you're already verified, you barely have a hundred K followers. Kayla, you should fire who ever did your eyebrows, you look scary! And Malik, don't hog the camera; you're not Drake. Trinity, baby, make sure you hog the camera.

TRINITY

Yes, Mother.

Monique
