

Crystal Audition Sides

CLIENT 1

Yes, indeed, you do! You got to let me know—what's your secret?

CRYSTAL *(sarcastically)*

Child, you'll mess around and discover Bigfoot before Tanya gives up her magical Madame CJ Walker Oil Sheen.

*(Another client flinches as Crystal works on her hair.)*

CLIENT 2

Ouch!

CRYSTAL

Well, if you hold still, that won't happen! Ole bobblehead self.

CLIENT 1

At least let me buy a bottle from you.

CRYSTAL

Ha! Girl, please, I've been trying to get Tanya to sell it for years!

TANYA

I'm sorry, it's an old family recipe passed down from my great-great-grandmother. I don't know if I'm ready to just give that away and sell it.

CRYSTAL

See, told you!

CLIENT 1

Tanya, you should really consider it. You could make a fortune.

*(The other women in the salon agree.)*

CRYSTAL

Tanya don't care about making money. She like being broke!

*(The shop laughs.)*

TANYA

Oh yeah, Crystal? Well, remember that the next time you need to borrow some money.

*(Laughter continues as they return to work.)*
