

Malik Audition Sides

SCENE 1

MALIK

Trinity, since we've been kicking it for a minute. I figured we make it official.

(shows his phone)

Trinity

Malik, you made me your lock screen! How sweet.

MALIK

But that's not all, check my IG.

TRINITY

No, Malik, you didn't. You put me in your bio! Does this means....

malik

Yup, We're locked in.

TRINITY

Aww Malik!

SCENE 2

MALIK

You okay?

IMANI

Yeah! I'm fine. Totally fine. Why wouldn't I be?

MALIK

Because that was straight-up trash what Trinity did in there.

IMANI

I mean... It's cool I'm not even trippin'

MALIK

Nah. Don't do that. You didn't deserve any of that.

IMANI

You really think so?

MALIK

I *know* so! you did your thing up there! And they put you on the show 'cause they *know* you got next. Trinity's just mad 'cause she sees you as competition.

IMANI

Competition? Me?

MALIK

Yeah, but don't let that mess get in your head. You belong here just as much—nah, scratch that—*more* than half of them.

IMANI

Oh... Malik... thanks."

(A beat. She looks like she wants to say more, but she can't quite find the words. Malik nods toward the door.)

MALIK

Listen, don't let them make you feel small. You're way bigger than that. I gotta head back in, But i'm gone hit you up later. Maybe we can chill, and listen to some music or something. Cool?

Song:

You're Mine - 0:09 - 1:14 & 2:38 - 3:44

 **You're Mine**

(Perform the song like a solo R&B artist, not like NYC choir song! Act like you're singing the song to a girl that's your fan!)
